

FLORIDA DEPARTMENT OF TRANSPORTATION - DISTRICT FOUR INVITES YOU TO A CONSTRUCTION OPEN HOUSE

State Road (SR) A1A Hurricane Matthew Restoration Project

From Approximately 2.3 Miles South of the Sebastian Inlet northerly 1 Mile on SR A1A

Financial Project ID Numbers: 440554-2-52-01 and 440554-2-52-02

SR A1A Hurricane Matthew Restoration Project

The Florida Department of Transportation (FDOT), District Four, will host a Construction Open House for the Hurricane Matthew restoration project from approximately 2.3 miles south of the Sebastian Inlet northerly 1 mile on SR A1A in Indian River County.

PROJECT IMPROVEMENTS

- Constructing a vinyl sheet pile wall system on the west side of SR A1A with reinforced concrete caps and placing rip rap with ditch lining to protect the shoreline against the storm surge and wave action from the Intracoastal Waterway during severe storm events.
- Repairing the failed pavement areas within the southbound travel lane.
- Installing a new southbound 8-foot concrete sidewalk.
- Installing thermoplastic striping and pavement markings .

JOIN US AT THE CONSTRUCTION OPEN HOUSE

Wednesday, May 29, 2019

Open House - 4:30 p.m. - 6:30 p.m.

Sebastian Inlet State Park's Fishing Museum

14251 State Road A1A

Vero Beach, FL 32963

Project personnel will be on hand to discuss the scope of work, construction schedule, and address questions and comments one-on-one. The open house will have an informal format. No formal presentation will be made. Guests may arrive at any time between 4:30 p.m. and 6:30 p.m. **The park entry fee will be waived upon letting the Park Ranger know you are there for the Construction Open House.**

TRAFFIC IMPACTS

Construction will occur in phases to minimize impacts to the public. Intermittent daytime lane closures will occur, maintaining two-way traffic with a flag crew.

Pedestrian traffic will be maintained during sidewalk construction by installing a temporary sidewalk on the east side of SR A1A.

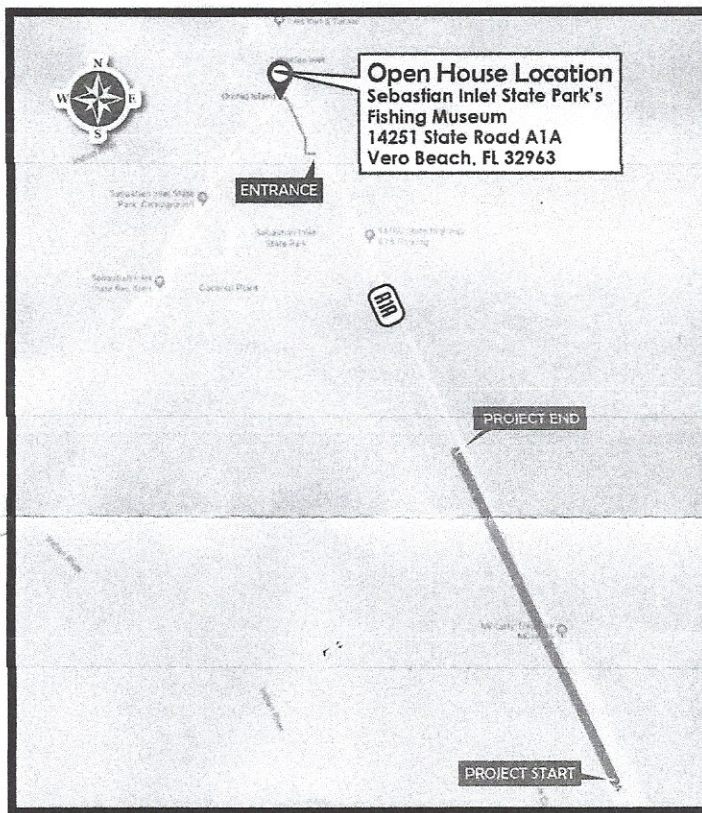

The speed limit will be reduced from 50 MPH to 40 MPH along the SR A1A project corridor throughout the duration of construction.

FDOT Public Meeting: SR A1A Restoration

The Florida Department of Transportation is hosting a public meeting to discuss State Road (SR) A1A Hurricane Matthew Restoration Project on **Wednesday, May 29th** from 4:30 PM - 6:30 PM at Sebastian Inlet State Park's Fishing Museum (14251 State Road A1A, Vero Beach).

Planned improvements will run along SR A1A from 2.3 miles south of the Sebastian Inlet, northerly 1 mile on SR A1A in Indian River County. The improvements will include:

- Constructing a vinyl sheet pile wall system on the west side of SR A1A with reinforced concrete caps, and placing rip-rap with ditch lining to protect the shoreline against the storm surge and wave action from the Intracoastal Waterway during severe storm events.
- Repairing the failed pavement areas within the southbound travel lane.
- Installing a new southbound 8-foot concrete sidewalk.
- Installing thermoplastic striping and pavement markings.

The planned construction start date is June 8, 2019, and the anticipated completion is Summer 2020.

The meeting will be an informal open house format, during which attendees may view project information, speak with FDOT team members to learn more about the design and provide input. Upon entry, please let the Park Ranger know that you are attending the meeting and the park entry fee will be waived.

Information about this project is also available online on the [FDOT District Four website](#). If you have additional questions please contact FDOT at (772) 429-4930 or email joshua.baker@dot.state.fl.us.
